***Claim Rejections - 35 USC § 102***

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 40-51 are rejected under 35 U.S.C. 102(e) as being clearly anticipated by Cambi (USP 5,825,283).

See the appropriate paragraph of the 8/4/06 Office action.

***Claim Rejections - 35 USC § 103***

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 40-51 are rejected under 35 U.S.C. 103(a) as being unpatentable over Conners et al. in view of Williamson et al.

See the appropriate paragraph of the 8/4/06 Office action.

***Response to Arguments***

Applicant's arguments filed 11/6/06 have been fully considered but they are not persuasive.

Applicants' traverse the rejections over Camhi on the basis this reference fails to teach the claimed method of use of the apparatus (e.g. the direction of the information as argued by Applicants"). The method of intended use of an apparatus is of no patentable moment with respect to the pending apparatus claims. Applicants' also state Camhi fails to teach a breath alcohol detector. The Office has specifically pointed out the taught breath alcohol detector(28) and maintains there is no difference between Camhi and the cited prior art.

Applicants' remarks concerning Conners et al. were convincing.

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
